Monthly Activity Report (through February 2014)

Building Permits

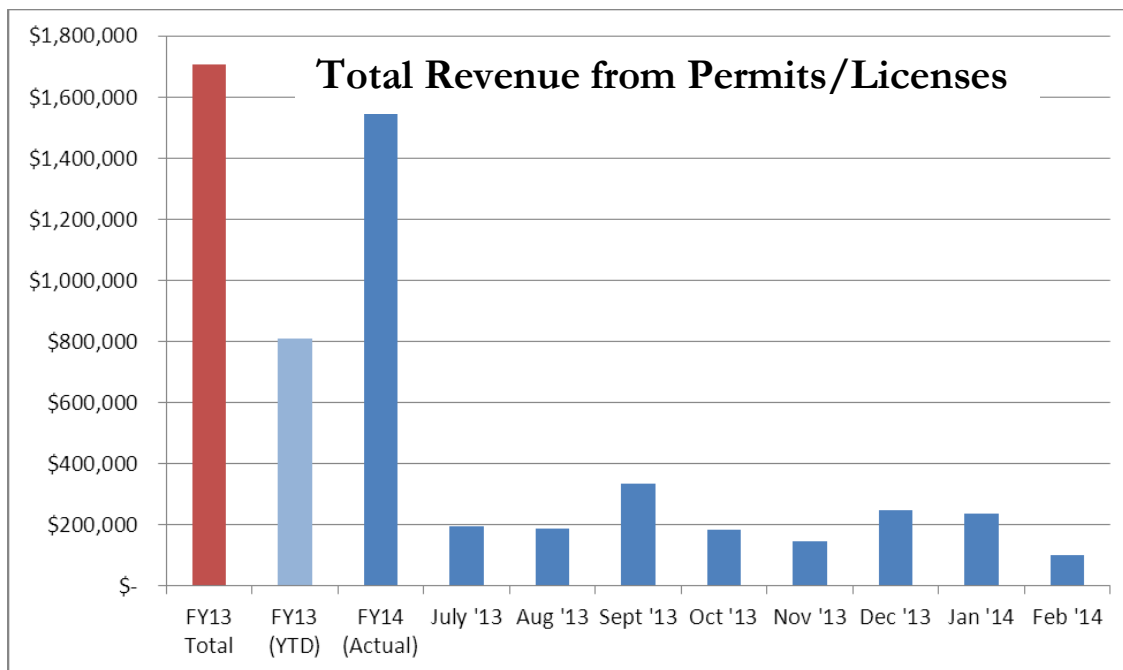

Through the first eight months of the fiscal year, the City has issued quite a few more permits when compared with the same period last year (about a 33% increase above last year's level).

Housing and Community Development Block Grant

Moderately Priced Dwelling Units

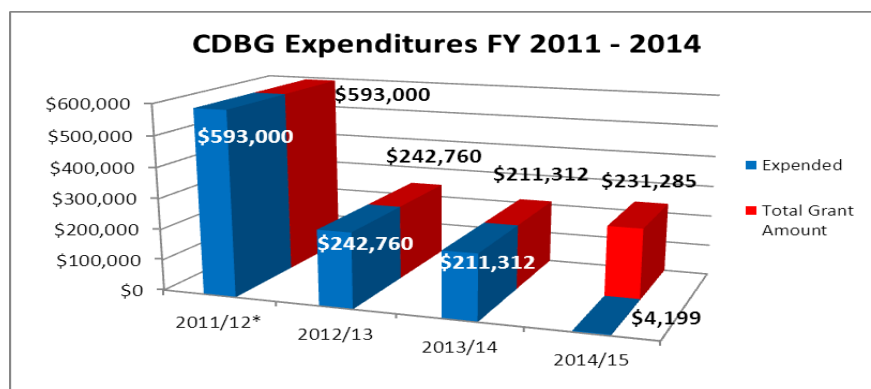

* Low and moderate income households apply to the City to be income-qualified for Rockville's MPDUs; receiving a certificate does not guarantee a MPDU will be available.

Community Development Block Grant (CDBG)

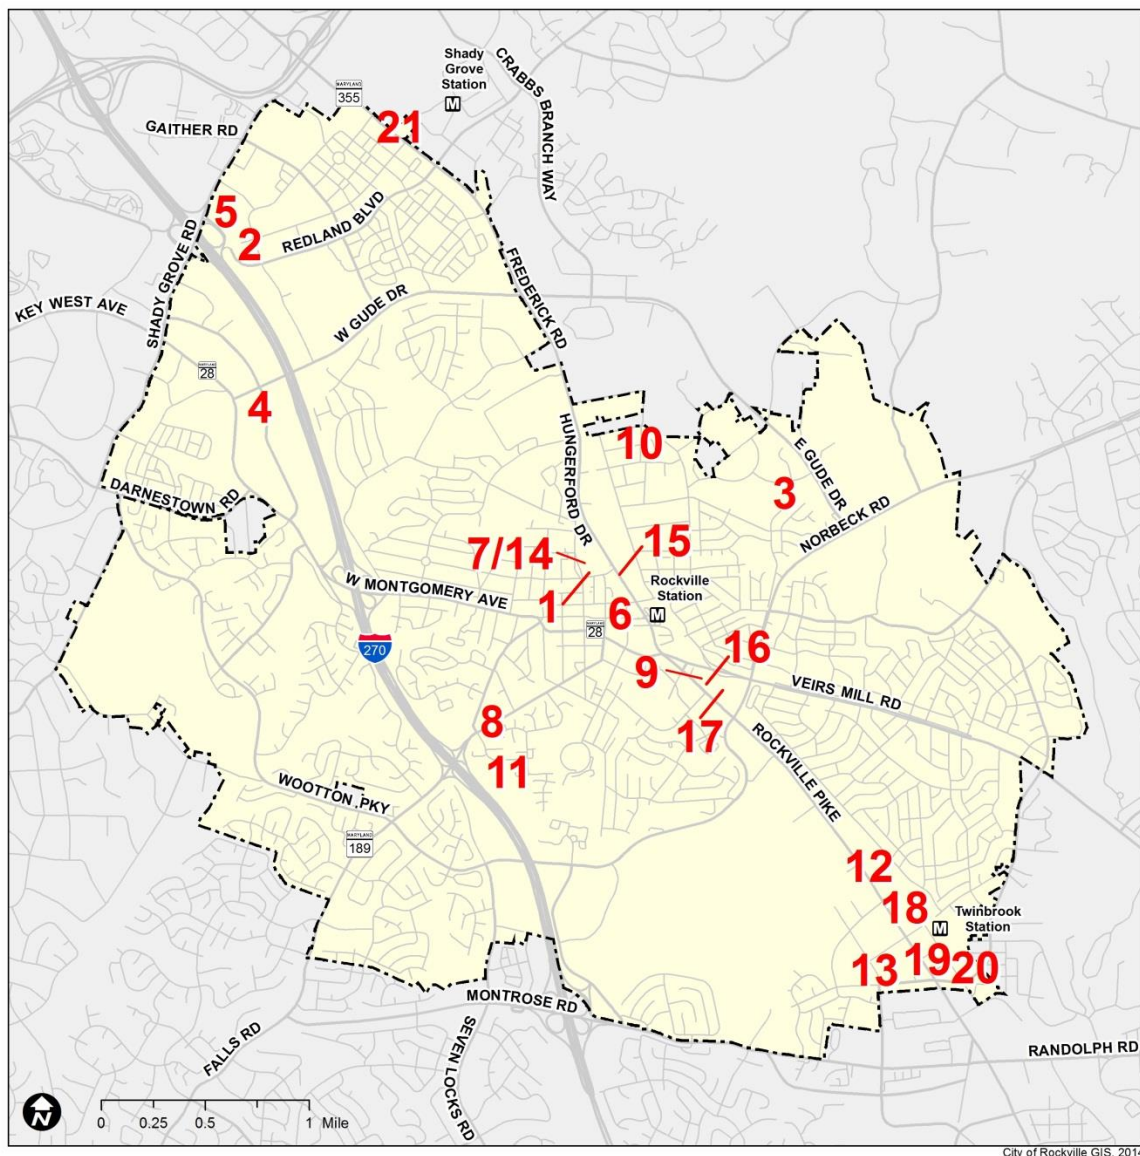

The Year 38 / FY13 CDBG funds were expended by the January 24, 2014 grant deadline. The funds accomplished the following activities:

- The City Single-Family Rehabilitation program assisted seven (7) low-income homeowners with repairs to their homes or properties to make them safe, habitable, and code compliant.
- Kitchens and bathrooms were replaced in three (3) scattered site public housing units using a combination of CDBG and other Rockville Housing Enterprises (RHE) funds.
- Evening case management services were provided to 28 homeless families.
- A social services organization serving the Asian community provided case management and referral services to 45 residents, 59 people attended a health fair, and 6 people attended citizenship classes.
- Thirty-three (33) residents were served with one-on-one legal services and 43 residents were provided with information at workshops and clinics targeted to the Asian community.
- Nutritional information was distributed in 5,353 backpacks of food to 381 Rockville students through the Smart Snacks program.

The Year 39 / FY14 CDBG contract started in September 2013 and will be completed at the end of August 2014.
